AGED CARE CENTRE FOR GROWTH AND TRANSLATIONAL RESEARCH: CONSULTATION STEPS

**STEP 1**
MODEL REFINEMENT
Researchers, service providers and other key stakeholders will inform calibration of the CGTR model.

**STEP 2**
SECURING CO-INVESTMENT
Industry to provide information on how it will invest in CGTR research.

**STEP 3**
RAISING AWARENESS
Information to be provided to industry, researchers and other stakeholders on the CGTR model and how it will be implemented.

**STEP 4**
KNOWLEDGE TRANSLATION
Educators and trainers to be engaged to assess the scope and focus of CGTR knowledge translation services.

**STEP 5**
COORDINATE FUNDING
Relevant Commonwealth research funding agencies to be engaged on CGTR mission to ensure coordination of aged care funding.
