Total	3,605

Note for data provided:

- Data source: Primary Mental Health Care Minimum Dataset (PMHC MDS). This data is current at 7 July 2020. Data may change over time given lag in data uploads.
- This data only includes information where the person has given consent for their information to be shared with the Department of Health. The consent rate is approximately 85%, so data provided is likely to be an underestimate of total clients.

Table 2: PHN commissioned psychological treatment services for people with mental illness in residential aged care facilities: Total service contacts for 1 January 2019 – 30 June 2020
