Ms Louise Amundsen
Co-Solicitor Assisting the Royal Commission
Royal Commission into Aged Care Quality and Safety

Dear Ms Amundsen

Royal Commission into Aged Care Quality and Safety

Our ref: JMC/DAM:320-00093

1. We refer to our letter dated 11 April 2019 which provided our client's responses to NTG-0090. In particular, we wish to correct the answers to question 6 in NTG-00900 set out pages 2 to 4 of that letter (noting that the Question to which we refer was incorrectly noted as Question 4 a), 4 b) and 4 c) in our letter where it appeared below a heading for "Question 6" and should have referenced Question 6 a), 6 b) and 6 c).
2. The error was brought to the attention of Garden View's counsel by Senior Counsel Assisting the Royal Commission at today's hearings.
3. Since we submitted our letter of 11 April 2019 in response to NTG-0090, Garden View has been able to undertake a more detailed consideration of its books and records. As a result, it has come to our attention that the information we gave on 11 April 2019 was incorrect.
4. A full tablet of the Risperidone that was prescribed for Mr Reeves contained 0.5mg of Risperidone with a dosage of ½ a tablet or 0.25 mg of Risperidone on an as needs basis between 7 and 15 May 2018. From 15 to 23 May 2018 Mr Reeves was prescribed a full tablet of Risperidone (0.5 mg) nightly.
5. The correct dosage of medication provided to Mr Reeves was set out in paragraph 82 of the Statement of Kee Ling Lau dated 2 May 2019, as supported by the Medication Chart at tab 66 of the Tender Bundle and the prescription record at tab 69 of the Tender Bundle.
6. We would be grateful if you would acknowledge receipt of this letter.

Yours faithfully
