## Qualification Description

This qualification reflects the role of Aboriginal and/or Torres Strait Islander people working to provide a range of clinical primary health care services to Aboriginal and/or Torres Strait Islander clients and communities, including specific health care programs, advice and assistance with, and administration of, medication.

These workers can be expected to flexibly assume a variety of job roles and undertake a broad range of tasks either individually or as a member of a multidisciplinary team.

This qualification addresses the specific legislative responsibilities of Aboriginal and/or Torres Strait Islander Health Practitioners and is required for national registration with the Aboriginal and Torres Strait Islander Health Practice Board of Australia.
